HOME STUDY QUESTIONS & MESSAGE SUPPLEMENT

Sunday, January 3, 2021: “*Coulda, Shoulda, Woulda*”

Thinking about it:

Pastor James said that New Year’s resolutions are just last year’s “*coulda, shoulda, woulda’s*”.

Do you think that is true? Why or why not?

Can you think of examples to support your thoughts?

What is an opportunity you have had that you passed on and later regretted it?

Read & Think: *How are we supposed to learn from Israel’s “Coulda, Shoulda, Woulda’s”?*

- I Corinthians 10:1-5 *What was the regret of the Israelites and its consequence?*

- I Corinthians 10:6-13 *Why should we pay attention to their example?*

- I Corinthians 10:14-22 *What was the “double-mindedness” of the Israelites?*

- I Corinthians 10:23-33 *How should we handle our freedom in Christ and why?*

PRAY: *Thank God for His attention to your journey and availability to you as you walk it! Ask Him to show you any “Coulda, Shoulda, Woulda’s” in your life to this point regarding how you have followed Him. Ask Him to forgive you and commit to love Him with all your heart, mind, soul and strength!*
